# How To Steal Like A Pro Script

Today, I'm gonna show you How To Steal Like A Pro. That way if you want to steal something, you can do it without being detected. Now lets get to the theft.

*(Transition)*

First find an item you want to take.

*(Transition)*

Next, hide somewhere good enough that won't make you look suspect. So I recommend it be somewhat in plain sight.

*(Transition)*

After that, Wait till the person who owns the item is distracted.

*( After the person leaves the camera zooms in on the item then cut to me smiling before Transition)*

Now that the coast is clear, Steal the item. *(Do a mission impossible style sneak around before taking the item)*

*(Transition)*

***The person walks back and sees the theft and yell hey only to get blinded by flash bang Then I run out the room***

Alright, Thats how you steal like a pro. Learn these tips and tricks and the crime will be easier to commit. *(FBI Open Up Sound Effect)*

*(Text pop up saying Just Kidding Do Not Steal or this will be you then fades to black)*
